## MEMORANDUM

DATE: December 2004

FROM: Heritage and Environmental Consultant

SUBJECT: City of Golovin – Environmental Review  
Amendment No. 1, Project No. AN 03-G77  
City of Koyukuk – Environmental Review  
Amendment No. 1, Project No. AN 03-G79  
City of Teller – Environmental Review  
Amendment No. 1, Project No. AN 04-G96  
City of White Mountain – Environmental Review  
Amendment No. 1, Project No. AN 03-G78

TO: FOR THE RECORD

Based upon proposed Federal funding for this project, an environmental review in accordance with the National Environmental Policy Act (NEPA) and the National Historic Preservation Act (NHPA) is required. The Alaska Native Tribal Health Consortium (ANTHC) has considered all potential environmental concerns (specific and cumulative effects) associated with the project in consultation with applicable federal, state, and local authorities. An environmental review was completed in April 2004 with respect to the proposed sanitation facilities construction at Teller, Alaska under Project No. AN 04-G96. This Amendment will not change the scope outlined in the original document, and therefore no additional environmental review is necessary at this time.

If the scope of work is changed in the future, then the ANTHC will revisit this environmental review to determine if potential environmental concerns have been addressed.
